Appendix: Sample postcard handout

The image shows a template for two postcards. Each postcard is divided into three main sections by a vertical line on the left and a horizontal line across the middle. The left section is for the recipient's address, with a small rectangular box in the center. The middle section is for the message, with a large area of vertical lines for writing. The right section is for the stamp and recipient's name, with a small rectangular box labeled 'Stamp' and a larger rectangular box labeled 'To:' containing vertical lines for writing.
