Appendix

A list of random questions and a short video of the author conducting the activity can be accessed a <globalstoriespress.org/downloadables.htm>. Below are four sets of questions with answers/notes fo students.

Questions		Answers / Notes	
1	Where's your hometown?	Tell your hometown if your question is not understood.	
2	How many brothers and sisters do you have?	Don't include yourself!	
3	What's the capital of Japan?	Tokyo.	
4	What color are your socks?	Tell your color if question is not understood.	
5	What's in your pocket right now?	Give example if question is not understood.	
6	Who won the 2013 World Baseball Classic?	The Dominican Republic.	
7	Which country has the highest population?	China.	
8	Where do birds fly?	The sky.	
9	What's the largest animal that ever lived on Earth?	The blue whale.	
10	What large mammal can you find in Nara Park?	Deer.	
11	What did you eat for dinner last night?	Give example if question is not understood.	
12	Who is your favorite musician?	Give example if question is not understood.	
13	What is the fastest thing in the universe?	Light	
14	What is Japan's 4th largest island?	Shikoku.	
15	What's your favorite fruit?	Give example if question is not understood.	
16	What's your grandfather's name?	Give example if question is not understood.	
17	What religion is mainly practiced in Indonesia?	Islam.	
18	What is the largest prefecture in Japan?	Hokkaido.	
19	What did you eat for breakfast last night?	Give example if necessary.	
20	What year did you graduate high school?	Give example if necessary.	
21	Which state in the U.S. is John from?	New York	
22	What's today's date?	Month, number, year.	
23	What's your hobby?	Give example if question is not understood.	
24	Tell me the name of an extinct animal.*	The dodo, Japanese wolf, baiji (China's river dolphin).	
25	How did you come to school today?	Give example if question is not understood.	
26	Tell me something you are looking forward to.**	楽しみにしていること	
27	What's your favorite vegetable?	For ex., carrot, celery, cabbage, etc.	
28	What is the main religion practiced in Thailand?	(Buddhism)	
29	What season is it right now?	Spring, summer, fall (autumn) or winter.	
30	What's your name? ***		

*Some questions, like this one, were recently covered in class.

** My own rule is to avoid using Japanese, but make exceptions. Due to the difficulty of explaining this idiom in English, and the accuracy of the translation, I use Japanese here.

*** The question for the last student standing, asked with a smile, is a bit of joke, to give that student, who is probably weak at English and nervous, an easy way to finally sit down.

	Questions	Answers / Notes
1	Where did John recently buy his grey sweater?	H&M.
2	What do you call a person who takes pictures for a living?	A photographer.
3	Tell me the date of the shortest day of the year (the day when there is the least amount of sunlight)?	December 21 or 22.
