## The Superhero Speed Dating Game

### Part #1 - Create a superhero profile

You will select a **MALE** or **FEMALE** card from a bag. This card is your superhero's sex. (Note: If a female student selects a MALE card, she must create a male character.) Read *Thunderbolt Woman's* profile card. Your profile must also have 18 different items. Before you create your superhero, take 10 minutes to brainstorm your ideas. Your superhero must be **ORIGINAL** and interesting. Fill in the information on the 'Speed Dating Game Profile Card.' Your profile card **MUST** have a **picture or drawing** of your superhero.

### Part #2 - The Speed Dating Game

You will only have **3 minutes** to talk with your date. (REMEMBER: **You** are the superhero character). When the time is finished, you will stop talking and move to your next date. Use the chart in Part #3 to keep track of the different people you meet. At the end of the game you will select a partner for your character. This is a communication activity -- **Don't READ** your profile!
