

# 1. Cooperative Learning

Chika: Hi Yuki. Do you like running?

**Yuki: Yes, I do. Running makes me happy.**

Chika: How about running a marathon with me next week?

**Yuki: No, thanks. It's impossible for me to run a marathon.**

Chika: Then why don't we run a half-marathon?

**Yuki: Okay, I think I can do that.**

Chika: I know you can do it.

**Yuki: After the half-marathon, let's eat ice cream.**

Chika: Thanks, but no thanks. Ice cream makes me sick.

**Yuki: Ice cream makes you sick?**

Chika: Yes, it does. But I can eat shaved ice (kakki-gori).

**Yuki: Great! Then let's eat shaved ice.**

Chika: It's a deal. What flavor do you like?

**Yuki: I like Blue Hawaiian. How about you?**

Chika: I like strawberry the best.
