- Enjoy golf, tennis, swimming, and many other outdoor activities and sports at our luxury resort. Delicious meals prepared by our award-winning gourmet chef cannot be missed.

Appendix E: Client Profile Sample

Brad and Angelina need your help. They are getting married and want you to plan their honeymoon! They love to go to the beach. They don't want to spend too much money. The hotel doesn't need to have a lot of amenities or services, but they need a hotel that accepts credit cards and has an airport shuttle. They like to eat and drink, but it is not a problem if the hotel doesn't have a bar or restaurant.
