

Appendix 1

This is an example of how you could write the numbers up on the board.

Group	Number 1	Number 2
(Your Name)	3	2
1	1	4
2	3	3
3	2	1
4	3	2
5	1	3
6	4	2

Here is an example story based on those numbers. The slashes and group numbers are only there to make the activity easier to understand. You shouldn't include them when you write your story on the board!

	Last weekend, / I went to / the / movies with my / best friend. / We wanted to /			
Group	You	1	2	3 4
	buy / a big bag of / popcorn, but / we didn't have enough / money, so we / bought /			
Group	5	6	You	1 2 3
	a small / one instead. We / weren't satisfied.			
Group	4	5	6
