## Relative Clause Roundabout

---

### Instructions:

Write a main clause in the space below. Then, pass your worksheet to the student on your left. Each student will add a relative clause using *who*, *which*, or *that*. Continue passing it until you receive your original worksheet back.

### Example:

Main clause (you write)	Relative Clause (classmates write)
Student A: <i>I bought a phone</i>	Student B: <i>which takes great pictures.</i> Student C: <i>that is old and ugly.</i> Student D: <i>which has a large screen.</i> And so on...
