

Appendix A: Example Sensible and Silly Rules

Sensible rules

- Students must do homework on time.
- Students should listen when others are speaking.
- Students must not use their phones during class.
- Students need to bring their textbook to every lesson.
- Students have to respect their classmates' opinions.

Silly rules

- Students must bring a pet parrot to every class.
- Students have to sing before asking a question.
- Students must stand on one leg during tests.
- Students can wear sunglasses during lessons.
- Students must give the teacher chocolate every Friday.

Appendix B: Rule Pictures

Picture 1

Image generated using ChatGPT (Open AI, 2026), using the prompt: “A digital flashcard showing two students facing each other cupping their ears to show attentive listening”.

Picture 2

Image generated using ChatGPT (Open AI, 2026), using the prompt: “A digital flashcard showing three students looking sad while handing chocolate bars to a happy teacher, with ‘Every Friday’ written on the board”.
